## Grandma Lintang and Her Books

Rhea loves to read at Grandma's house, but when she arrives...

"Grandma, why are you packing up all these books?" Rhea asks.

"I'm giving them to the local libraries," Grandma tells her.

"But what about my favorite detective books?" Rhea asks.

"Oh, my! I forgot to separate them. Perhaps I put them in these boxes. I was in a hurry. The books need to be sent today," Grandma answers.

Grandma says Rhea can take home her favorite books. First, Rhea has to find them.

Rhea cannot look through all the boxes by herself. She asks her friends for help.

Luckily Robby, Riris, and Bimo are willing to lend a hand.

"Look, a dinosaur book!" Robby shouts, as he begins to read. Riris gets busy reading another book. But when Bimo reaches for a book, he sneezes.

Rhea still needs help finding her detective books.

"Robby, search through this pile of books.  
Riris, look through the books in this box.  
Bimo, take this tissue."

Finally, Rhea finds her books! Then Grandma gives books to Rhea's friends.

"Thank you, Grandma!"

As they prepare to box up the rest of the books, Bimo sneezes again.

*Aatchoo!*

Bimo cannot stand the dust on the books.  
Rhea gets an idea. Bimo can use her bike to help deliver the books.

Oh no, the bike is broken.

Grandma offers to help.

"How did you learn to fix bikes, Grandma?"

"From reading books, of course!"

"Bimo! The bike is ready!" Rhea shouts.  
But no one answers.

Where are Rhea's friends?

"Oh, they are all reading!"  
Grandma and Rhea laugh.

But they have to stop reading now. Look, the mail car is here!

Everyone works together to carry the books to the mail car.

Bimo rides the bike.

Now Rhea and her friends have books to read and the rest of the books will soon meet their new readers!

The book creation project features mighty girls and women as the main character(s) of the story and involve female writers, illustrators, editors, and designers. This book was created through a book creation workshop conducted in collaboration between Litara Foundation and The Asia Foundation with the support of Estée Lauder Companies. The workshop and professional

development, along with the editing and design of this book, was conducted by Litara Foundation.
